AIRPORT TRANSPORTATION

Cheyenne Mountain Resort offers shuttle service to and from the Colorado Springs Airport. For a seamless transfer experience for your attendees, please provide the following information to your Conference Planning Manager at least one week prior to your first arrival:

First & last name • Arrival & departure dates • VIP status or other special instructions • Airline & flight number

For your convenience, an electronic arrival/departure manifest form can be emailed directly to you to assist in the collection of this information. As changes occur, simply contact your Conference Planning Manager or resubmit the manifest via e-mail with changes highlighted. We will accommodate all changes and cancellations at no charge when received at least 12 hours in advance. Upon arrival to the Colorado Springs Airport, attendees should check in with the Cheyenne Mountain Resort driver, who will be identified with a resort sign at the bottom of the stairs that lead into the baggage claim area. At that time, the driver will confirm shuttle arrangements and escort attendees to the Transportation Lane located outside the terminal building. In the unlikely event that a driver cannot be located, please call Cheyenne Mountain Resort at 719-538-4020 or 800-428-8886.
